*Nationally and Internationally Acclaimed in Orthopedic Surgery*

Nationally and internationally acclaimed in orthopedic surgery, Dr. Harish Hosalkar is once again honored and appreciative to be recognized by his peers as one of San Diego's Top Doctors. "Life is motion and motion is life," he says. Motivated by this philosophy, Dr. Hosalkar (well known as Dr. H) combines leading-edge techniques with traditional methods to help patients achieve functional improvement and a pain-free quality of life.

Renowned in his field, Dr. Hosalkar brings nearly 25 years of medical expertise to his practice and an unsurpassed level of compassion to his patients. He specializes in traumatology, fracture care, joint preservation and reconstruction, limb lengthening, deformity correction, children's orthopedics, and conditions including traumatic brain injury, stroke, and spastic disorders as well as personal injury. "Preserve joints as much as possible and as long as possible" is his motto.

Dr. Hosalkar is affiliated with multiple hospital systems in San Diego, including Scripps, Sharp, Paradise Valley Hospital, and Tri-City Medical Center. A dedicated family man with a beautiful wife and two children he adores, Dr. Hosalkar loves cooking, reading, hiking, traveling, singing, and, of course, seeing patients. "I enjoy connecting with people and taking care of them. I feel a great sense of accomplishment in assisting fellow humans with their musculoskeletal ailments and helping them return to their life and function while controlling or eliminating their pain."

The Hosalkar Institute started many years ago and is regionally, nationally, and internationally acclaimed, with multiple subspecialty physicians and clinical programs working closely to provide excellent patient care. Dr. Hosalkar is consistently involved in charity and mission work as well. Through his individualized patient care, Dr. Hosalkar's practice of orthopedic surgery gives the gift of motion to people in need all across the globe. ■
