Harish Hosalkar, MD

ORTHOPEDIC SURGERY

NATIONALLY AND INTERNATIONALLY ACCLAIMED IN ORTHOPEDIC SURGERY, Dr. Harish Hosalkar is honored to be recognized as one of San Diego's Top Doctors.

"Life is motion and motion is life" is his philosophy. Dr. Hosalkar (well known as "Dr. H") combines leading-edge techniques with traditional methods to help patients achieve functional improvement for a pain-free life.

Renowned in his field, Dr. Hosalkar brings nearly 25 years of medical expertise to his practice and an unsurpassed level of compassion. In the years since he founded The 'Hosalkar Institute', it has become a regionally, nationally, and internationally acclaimed institution with multiple subspecialty physicians, surgeons, and clinical programs working closely to provide excellent care and treatment.

Dr. Hosalkar is affiliated with multiple hospital systems, including Scripps, Sharp, Paradise Valley Hospital, and Tri-City Medical Center, and is the director of joint preservation, the traumatic brain injury deformity correction program, the limb-lengthening and deformity correction program, and the amputation prevention program at some of them.

A dedicated family man with a beautiful wife and two children he adores, Dr. Hosalkar loves cooking, reading, hiking, traveling, singing, and, of course, seeing patients. "I enjoy connecting with people and taking care of them. I feel a great sense of accomplishment in assisting fellow humans with their musculoskeletal ailments and helping them return to their life and function while controlling or eliminating their pain."

During the COVID-19 pandemic, Dr. Hosalkar has tirelessly worked without taking a day off, to cover trauma care and emergencies in multiple local hospitals to serve the community. Dr. Hosalkar is consistently involved in charity and mission work as well. Through his individualized patient care, Dr. Hosalkar's medical practice gives the gift of motion to people in need all across the globe. ■
