

THE SAN DIEGO SPINE & JOINT CENTER

Our team of surgeons, nurses and therapists are trained in the latest techniques in orthopedic and neurosurgical care. The Center itself has been designed to resemble a seaside resort rather than a surgical wing of a hospital. And we emphasize extensive pre- and post-surgical education to ensure that you and your family are actively involved in all aspects of your stay with us. We follow the nationally-renowned Marshall Steele program, which means we have honed patient care and satisfaction to a science. And we have recently added the Navio™ Surgical System to allow our physicians to perform precise robotics-assisted procedures for even better outcomes for our patients. For all of these reasons you should **choose the San Diego Spine & Joint Center.**

PARADISE VALLEY HOSPITAL SALUTES ITS **TOP DOCTORS**

While we know that every one of our physicians is dedicated to our patients and communities, we salute the following Paradise Valley Hospital doctors who were selected as the **2016 "Top Doctors,"** recognized as among San Diego's finest physicians.

Paradise Valley Hospital is proud to be the only San Diego County hospital to be recognized as a Top Performer on Key Quality Measures five years in a row by The Joint Commission, in the top 5% in the nation for patient safety as named by Healthgrades, a recipient of Four Stars by HospitalCompare.com, and awarded a "100 Top Hospitals" designation by Truven Health Analytics, two years in a row.
